What is Critical Illness Insurance?

Critical Illness Insurance pays a lump-sum benefit if you are diagnosed with a covered illness or condition. You have the option to elect Critical Illness Insurance to meet your needs. Critical Illness Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Features of Critical Illness Insurance include:

- **Guaranteed Issue:** No medical questions or tests required for coverage.
- **Flexible:** You can use the benefit money for any purpose you like.
- **Payroll deductions:** Premiums are paid through convenient payroll deductions.
- **Portable:** Should you leave your current employer or retire, you can take your coverage with you.

For what critical illnesses and conditions are benefits available?

Critical Illness Insurance provides a benefit for the following illnesses and conditions. Covered illnesses/conditions are broken out into groups called “modules”. Benefits are paid at 100% of the Maximum Critical Illness Benefit amount unless otherwise stated. For a complete description of your benefits, along with applicable provisions, conditions on benefit determination, exclusions and limitations, see your certificate of insurance and any riders.

How can Critical Illness Insurance help?

Below are a few examples of how your Critical Illness Insurance benefit could be used (coverage amounts may vary):

- Medical expenses, such as deductibles and copays
- Child care
- Home healthcare costs
- Mortgage payment/rent and home maintenance

Who is eligible for Critical Illness Insurance?

- **You**—all active employees budgeted to work at least 20+ hours per week. Temporary and seasonal workers are excluded from coverage. Normal vacation is considered Active Employment.
- **Your spouse***— under age 70. Coverage is available only if employee coverage is elected.
- **Your child(ren)**— to age 26. Coverage is available only if employee coverage is elected.

*The use of “spouse” in this document means a person insured as a spouse as described in the certificate of insurance or rider. Please contact your employer for more information.

What Maximum Critical Illness Benefit am I eligible for?

- For you
 - You have the opportunity to purchase a Critical Illness Benefit \$10,000 - \$30,000 in \$5,000 increments
- For your spouse
 - You have the opportunity to purchase a Critical Illness Benefit of 50% of your election amount for your spouse.
- For your children
 - You have the opportunity to purchase a Critical Illness Benefit of 50% of your election amount for each covered child.

How many times can I receive the Maximum Critical Illness Benefit?

Usually you are only able to receive the Maximum Critical Illness Benefit once for each covered condition. Your plan includes the Recurrence Benefit*, which provides a one-time restoration of 100% of the maximum benefit amount in order to pay a second benefit for the same covered condition. It's important to note that in order for the second occurrence of the illness to be covered, it must occur after 12 consecutive months without the occurrence of any covered critical illness named in your certificate, including the illness from the first benefit payment.

If you have reached the benefit limit by receiving the maximum benefit for each covered condition, you may choose to end your coverage; however, if you have coverage for your spouse and/or child(ren), you must continue your coverage in order to keep their coverage active. Please see your certificate of coverage for details.

*This benefit does not apply to the cancer module.

What does my Critical Illness Insurance include?

- **Wellness Benefit:** This provides an annual benefit payment if you complete a health screening test. You may only receive a benefit once per year, even if you complete multiple health screening tests.
 - Examples of health screening tests include but are not limited to: Pap test, serum cholesterol test for HDL and LDL levels, mammography, colonoscopy, and stress test on bicycle or treadmill.
 - The annual benefit is \$50 for completing a health screening test.
 - If your spouse and children are covered for Critical Illness Insurance, they are also covered by the Wellness Benefit. Your spouse's benefit amount is also \$50. The benefit for child coverage is 50% of your coverage with an annual maximum of \$100 for children's benefits.

What optional benefits are available?

You may choose to include the optional benefits below with your critical illness coverage. For a list of standard exclusions and limitations, please refer to the end of this document. For a complete description of your available benefits, along with applicable provisions, exclusions and limitations, see your certificate of insurance and any riders.

- **Spouse* Critical Illness Insurance:** If you have coverage for yourself, you may enroll your spouse, as long as your spouse is under age 70 and is not covered under the Policy as an employee.
 - Your spouse will receive coverage for the same covered conditions as you.
 - Your spouse will be able to receive a benefit the same number of times as you, as outlined above.

 - Your children are covered for the same covered conditions as you are with the exception of carcinoma in situ and coronary artery bypass; however, actual benefit amounts may vary.
 - Your child(ren) will be able to receive a benefit the same number of times as you, as outlined above.
