The Core, Enhanced, and High Deductible Health Plans All Offer You a Choice of Network Providers

When you choose one of the McLeod Health medical plans, you will have the freedom to receive care from the provider of your choice, within the McLeod Health or Blue Cross Network. The highest level of coverage is available when you use the services provided through the McLeod Health Network; which includes Loris Healthcare System, Seacoast Hospital, McLeod Regional (Florence), McLeod Cheraw, McLeod Clarendon, McLeod Darlington, and McLeod Dillon. The McLeod Network also includes the providers in the McLeod Physician Associates group.

The McLeod Employee Assistance Program (EAP), Pharmacy benefits, and Preventive Care services are all included as covered services under the McLeod Health Medical Plans.
